Secrecy

By Heena Haiderali

Secrets don't make friends,
Because secrets hide ugly truths.
The uglier the truth the deeper the secret.
But what if the secret is exposed,
And the whole world gets to know.
Then there might not be any friends anymore.
How paradoxical,
Yet how true.
Some keep a book,
And label the first page as **KEEP OUT!**
What will happen if that book is ever exposed?
Will the person die? Of embarrassment? Or just get in
trouble?
Maybe their friends will vanish out of thin air,
But remember secrets don't make friends.
